honor societies

Club Sports

Free events & trips!

- » Bus trips to experience local and distant attractions like amusement parks, whitewater rafting, Broadway shows, museums, and many more!
- » On-campus events like bingo and casino night, movies on the lawn, dances, and spirit week to name a few.
- » Competitions including blacklight dodgeball, mini golf, bubble soccer, and more!
- » Special campus traditions such as Alumni and Family Weekend, Farewell Frenzy, and Flapjack Fest!

Commuters are always on our mind! We have campuswide, commuter-focused events like Commuter Appreciation Week, drive-thru breakfast, drive-in movies, car washes, and much more!

Marywood also has a Student Government Association, run by the students for the students.

- » Support our student organizations, club sports, and honor societies.
- » Serve on University committees with opportunities to form connections with university administrators.
- » Complete goals to enhance the student experience.

Leadership positions are always available campuswide! Join a club or campus organization, become a Resident Advisor, an Orientation Leader, or campus tour guide.

And, that's just the start of on-campus leadership opportunities.

Club and Organization Officers

Opportunities to serve as an elected officer of a club or organization, and gain valuable experience leading an organization, running meetings, fundraising and managing a budget, recruiting new members, and more!

Leadership Awards

Annual end-of-year celebration to highlight the great things our students are doing!

Pacers Achieving Excellence and Leadership

Marywood's premier freshmen leadership development program whose goal is to build leaders who will make a better world from #DayOne!

Student Life Medals

Awards for service, community engagement, and leadership to recognize Marywood's exceptional graduating students.

Show #PacerPride

with one of our intramural events, from individual challenges to team tournaments!

Marywood University Intramurals make use of the \$14 million Center for Athletics and Wellness, \$5 million+ Aquatics Center, and synthetic turf field.

Students can take their adventures off campus in one of our 200+ study abroad programs.

Marywood partners with international institutions around the world to offer distinctive opportunities to study abroad for a week, a month, for the summer, or for a full semester. Better yet, students can use their financial aid and scholarships on study abroad experiences.

Study Abroad Locations Include

- » Italy
- » Spain
- » United Kingdom
- » Ireland
- » Australia

Students will build social capital and immerse themselves in a new culture! Email the Office of Global Education for more information at international@marywood.edu.

Marywood Architecture students go abroad during their junior year to study at the renowned ISI Institute in Florence, Italy.

Students can showcase their faith in action—by being a part of our Campus Ministry!
