Policies and Procedures

The President's Council

Policy Statement:

The President's Council was established to facilitate improved communication and sharing of information among all constituencies, to provide education on topics of importance to the community for advocacy and for strategy.

Administration will share information on the broad issues that impact the annual institutional budget. Administration will provide information regarding the budgetary process and related issues and the budget planning process. The President's Council will serve as a forum for discussion of budgetary issues of interest to the University community and for evaluating the budget process.

Consisting of the following administrators/ officers, the purpose of the Council is to report what transpired at the meetings to the members of their respective departments to ensure that both a vertical and horizontal flow of communication will take place throughout the community.

Planning will be a strong component of this Council's work.
